Moving Forward

As Boris Johnson announces the further easing of restrictions, it is important that we now as a church family plan our forward path. If everything goes to plan on the 19th July, it is our joy to resume normal church services as of 1st August – this gives us a window to set in place the changes needed. From the 1st August we will return to our normal monthly cycle of services; hopefully with singing.

This will mean, that mid-week communions at St Mary's will return to being stand alone services. This service will be recorded and published on our Facebook and Website pages. The service will be an amalgamation of my mid-week blogs and a gentle communion service. People will be able to watch this at any point during the week once posted.

It will be important for people to be aware of how they feel about the lifting of restrictions. Please wear a mask if it makes you feel safe. Please continue to social distance in church if it makes you feel safer. We will endeavour to provide areas of our churches for this to happen. We feel it is important that people can come and worship God – but, it is also important that you let us know what helps you to feel safe.

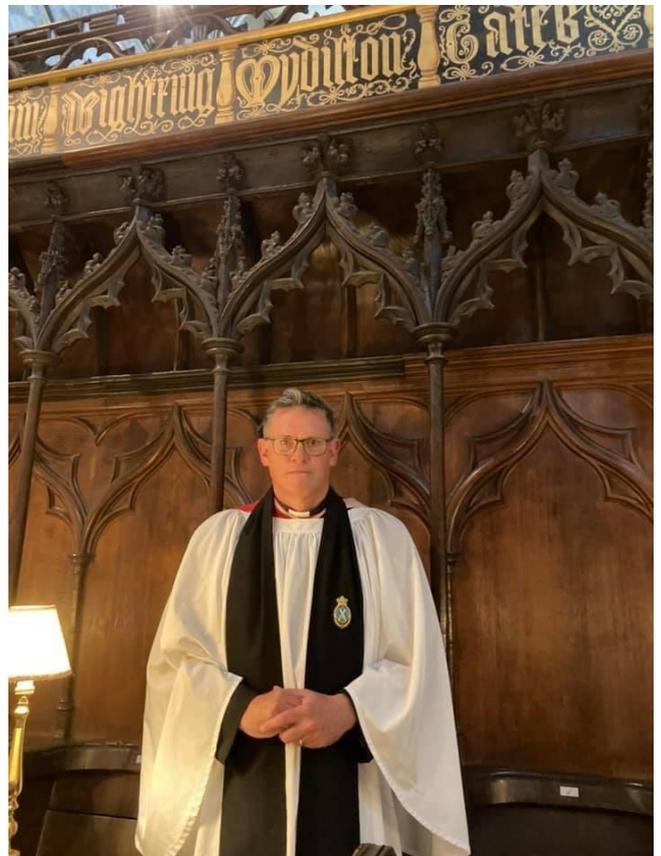

Many blessings - Derek Welsman

Collect for the week

Creator God, You made us all in your image;
May we discern you in all that we see,
And serve you in all that we do;
Through Jesus Christ our Lord.
