Collect for the week

Risen, ascended Lord,
As we rejoice at your triumph,
fill your Church on earth with power and
compassion, that all who are estranged by sin
may find forgiveness and know your peace,
to the glory of God the Father.

Prayers for this week

Those in our books of prayer.
Those who live in our villages.
Those who work in our villages.
Our farmers.
Our Parish Councils
Our friends and neighbours.

APCM

This year we will be holding a combined APCM for the three churches at **St Mary's Easebourne on Thursday May 27 at 7.00pm**. If you would like to join the church electoral roll then please contact Derek or Liz Bounton for more information. All documentation for the APCM will be emailed out before the meeting.

ECO CHURCH

In the weeks ahead, you will hear of the Priory Churches project to become more sustainable and friendlier to our planet. We hope this will involve everyone in our communities. The project will involve getting informed and sharing knowledge on improving our sustainability,

setting and achieving goals, involving others and including our worship, all with the aim of reducing our impact on our planet.

Did you know? The heat from human emissions is equivalent to 400,000 Hiroshima nuclear bombs exploding across the planet every single day (Source: UN Intergovernmental Panel on Climate Change)

No change is too small, so how about considering one of these:

- buy British fruit and veg in season and fairly traded food if affordable
- if practical, allow a little extra time for local journeys to walk or cycle rather than drive
- don't leave appliances on stand-by when not in use
