#### COVID UPDATE

Under Plan B regulations, which came into effect from Friday 10 Dec, it is now a requirement to wear a face mask in church.

To help those who feel that coming to church is unsafe, I will return to recording a weekly service, which will be published on our website.

If possible, it would also be good for us as a church family to do a Lateral Flow test before attending church. This should ensure a safe environment, but also enable all of us to gather with family and friends at Christmas.

#### Stone Pillow

Over the next couple of weeks the request for donations is tree lights, sugar and cheddar cheese or similar (not soft cheese) black bin bags.

#### Christingle Service

In preparation for the Christingle service at St Mary's on Christmas Eve, please come, if you would like to, and help with the making of the Christingles on Thursday 23rd December, in St Mary's Church at 9.30am. Refreshments will be served.

Please contact Alison Davies Many thanks.
