Sandwich lunch followed by

Service at 2pm with Bishop Ruth

Please come and join us to celebrate together the 950th anniversary of our Cathedral and the 1700th anniversary of the Nicene Creed. We also give thanks for our Deanery and all that it means to serve God in our rural parishes.

Used stamps

Don't forget to bring your used stamps to donate to RNIB. The bags are by the notice board.

CELTIC WORSHIP

This Sunday at 6.00pm in St Peter's church is our last Celtic Worship for the foreseeable future. These have been special services, but we have decided to suspend them until further notice. Please join us for this final service to experience Celtic worship at the heart of our shared life.

ECO CHURCH

Turn it off! Energy conservation is one of the most important things you can do to reduce your carbon footprint. Leaving your electricals on standby uses unnecessary energy – turn them off at the wall when you've finished using them, and you could see your bill going down.

When you need to replace appliances, check their energy-efficiency rating to ensure they are as efficient as possible. This way, you're using much less energy for the time that the product is on and reducing your energy output.
