SAFEGUARDING TRAINING

Emma our PSO has organised Safeguarding Training for all members of our congregation. Basic training would be recommended for those who are interested or who are new to safeguarding and would like a place to start from. I would like to invite those who help at Messy Church, Little Lambs, the Social Gang and members of the Choir to come along.

Foundation training is for those who have done basic training and need this for their role, e.g. church wardens, PCC members.

Once you have completed your training you will only need to refresh the highest level that is relevant to your role once every three years.

Thurs 20th Feb Foundation (more in depth) 2pm
an afternoon session in Fernhurst Church

Weds 26th March Basic (beginners' course) 6pm
an evening session at St Mary's Church, Easebourne

Tues 15th April Foundation (more in depth) 2pm
an afternoon session in Rogate Primary School

ECO CHURCH

Green de-icer

When we all need to get out and about for the school run, work or caring duties it can be tempting to grab the car de-icer to quickly get on the move. However, did you know that commercially produced de-icer is made up of harsh chemicals that can find their way into our waterways that hydrate our land and wildlife? Try these natural and speedy alternative ways to de-ice your car this winter:

- Soak a sponge in salty warm water and just wash the ice away
- Squeeze a lemon on your frosty car window and then rinse away with warm water. Any shards of ice left? Use the lemon to gently wipe them away. Smells great and safe for the environment!

Stonepillow

A huge thanks for all the support and for the amazing £927 donated for Christmas. We would very much appreciate tinned tomatoes, baked beans, tinned meats, pasta, potatoes, stock cubes, pan scourers, tea towels, washing up liquid and personal hygiene products.
