Our collections from each service will be going to support the work of Stone Pillow – so please bring your donations and place them in the collection plate. Would you also remember to bring your gifts of food – perishable and non-perishable - for the main collection for the homeless? This collection of food each year, alongside our schools is a vital source of food for the homeless in our area.

Thank you in advance, for all that you do in supporting this vital work. Can we also make sure that we pray for our local farmers at this time; they are a hard-working community and very much at the heart of the life we share here.

Celtic Service

On the third Sunday of each month at 6.00pm in St Peter's Lodsworth, we will be holding a Celtic Evening prayer service, using the liturgy of the Northumbria Community. This service is a space for all those who welcome the Celtic tradition as part of their spirituality – so if you have never come before, then please do come and join us and explore with us this most ancient of spiritual paths.
