Collect for the week

Holy God,
faithful and unchanging:
enlarge our minds
with the knowledge of your truth,
and draw us more deeply
into the mystery of your love,
that we may truly worship you,
Father, Son and Holy Spirit,
One God, now and for ever.

Open Air Service

On Sunday 27th June we are going to hold our annual open-air service at St Peter's Lodsworth to celebrate the feast of St Peter. The morning will begin with a well blessing at St Peter's Well for those who wish to attend and move onto the field behind the church. The main service will mainly be a time of singing and Holy Communion – I can't wait to sing again with you all!

So the order of play is:

10.30am - Blessing of St Peter's Well

11.00am - Service of songs and Holy Communion

**We plan to meet even if the weather is a bit wet
– please bring a broly and a seat ...**

These broader climate changes include: rising sea levels, shrinking mountain glaciers, accelerating ice melt in Greenland, Antarctica and the Arctic, and shifts in flower and plant blooming times. Source: **U.S. Global Change Research Program (USGCRP)**

So make a difference:

- grow some of your own food
- look for opportunities to car-share (including to church)
- insulate your home (windows and walls) if affordable
