---------	-----------	--------------

Wednesday 26

10.00am	St Mary's	Holy Communion
11.00am	St Mary's	Morning Coffee

SAFEGUARDING TRAINING

Emma our PSO has organised Safeguarding training for all members of our congregation. Basic training would be recommended for those who are interested or who are new to safeguarding and would like a place to start from. I would like to invite those who help at Messy Church, Little Lambs, the Social Gang and members of the Choir to come along.

Foundation training is for those who have done basic training and need this for their role, e.g. church wardens, pcc members.

Once you have completed your training you will only need to refresh the highest level that is relevant to your role once every 3 years.

Weds 26th March Basic evening session @ Easebourne Priory church 6pm (a beginner's course)

Tues 15th April Foundation 2pm (more in depth) afternoon session in Rogate school.

Stonepillow

We would very much appreciate tinned tomatoes, baked beans, tinned meats, pasta, potatoes, stock cubes, pan scourers, tea towels, washing up liquid and personal hygiene products.

Men's Group - Saturday March 1st

The Men's Group will meet for breakfast at the Lion's Den in Midhurst at 10.00. We meet once a month for either breakfast or coffee. Anyone wishing to join the group should contact Roger Davies. (07979525085)

ELECTORAL ROLL 2025

It is now time to renew our electoral roll across all the churches. There are forms in each of the churches - we would be grateful if you could complete these as soon as possible and return to Liz Bounton. Any queries please contact Liz Bounton on 01730 816405.

ECO CHURCH

Spring and shopping

As we head into spring it is always hard to predict how our British weather will take us, so some easy ways to focus on the environment at this time of year is by shopping! Here's some ideas:

- We are so fortunate to have so many great shops in the area - supporting local businesses keeps people employed and helps prevent trucks from driving long distances
- Get organised by meal planning and making shopping lists which help reduce impulse buys and makes sure you only buy the food you will eat, reducing wastage
- Utilise food that will otherwise go to waste. Who needs their carrots and peppers looking perfect? Buy wonky fruit and veg to stop it going into the bin!
