ECO TIPS: Buy Loose Fruit and Veg

A simple way to cut down on single-use plastic in your weekly shop, is to opt for loose fruit and veg instead of bagged produce.

Take your own reusable produce bags with you if you find this more manageable. Research shows that if all apples, bananas and potatoes were sold loose, 8.2 million shopping baskets' worth of food waste could be prevented every year. That's simply because when fruit and vegetables are sold loose, people can buy only what they need and will use.

Chichester Cathedral Festival of Flowers

Taking place this week from Wednesday 3rd to Saturday 6th June, the Festival of Flowers will transform the 950-year-old Cathedral into a breath-taking floral experience, with stunning installations created by talented designers and community groups alike. Tickets on the door, by calling 0333 666 4466 or online: www.ticketsource.com/chichestercathedralrestorationanddevelopmenttrust/e-pbppv
