#### ECO CHURCH

##### **Say no to the mow!**

Mowing your lawn less and letting parts grow long saves you time and helps give nature a home. If you want to make an even bigger impact on wildlife, wait to mow your lawn or a section of it until August to support even more animals. You can read more about this campaign on this website: [www.plantlife.org.uk](http://www.plantlife.org.uk)

#### St Mary's Summer Fair - Saturday 21 June

Martin has a few requests:

- The people due to run the BBQ are unavailable due to another long standing commitment! Therefore, I am now looking for someone who has a food handlers certificate to cook the burgers and hotdogs at the fete, together with someone to serve the food and someone else to take the money. I will do all the buying and arrange the equipment etc!
- We still need someone to take charge of the 'Sumup' card reader to enable all stalls to benefit from card payments. Eric will give full training!
- Also, help is still needed to fund the expenses of the various musicians, so all contributions will be gratefully received.
- New items/ unwanted gifts or exceptional good nearly new items, for the gift stall and auction will be welcomed any time, please see Julia Wain.
