Patronal Festival

St Mary's - Sunday 16th August 10.30am

St Mary's Church will be celebrating a shared life in Christ in their annual patronal service, followed by refreshments and a picnic in the Priory garden. We will celebrate our shared life by processing each area of church life at the start of our service. So please make sure that if you are: choir, server, bell ringer, coffee team, flower team, social gang, cleaner, Yardies, Knit and Natter, Net Zero Carbon group, Messy Church, Little Lambs, Fair Trade, Reader, Intercessor, PCC member – or any I have forgotten – that one of you processes into the service carrying something that represents your group.

ECO TIPS: Looking after wildlife in the heat

Times of drought and dryness can be dangerous for wildlife. Provide a bowl of water to help wildlife stay hydrated - insects, small mammals, birds, and even badgers, foxes, and deer could benefit. A stone in a plant saucer helps bees to perch and drink without drowning. These small actions make a big difference and are just some of the ways we can live out our calling to care for God's creation. Visit the online Arocha blog for more warm weather eco tips:

Easebourne Magazine

A volunteer is still needed to deliver the magazine to the top end of Easebourne Street, approximately twelve addresses. Someone with local knowledge would be ideal but it is also a good way to get to know your local area. For more information, please contact Ann Harfield on 01730 813810.
